

Ketek Crowfoot Style Preset Torque Wrench with Offset Model Number

These are our standard open end models. All are made to order. We will need your desired torque setting, torque units, and offset distance in inches.

We also offer metric sizes, and custom tool heads. Please contact us if you don't see what you need.

Model	Handle Length	Tool Head Size	Range (governed by tool head size and torque handle length)
5C14	6"	7/16"	3 - 60 in. lbs.
